## FREQUENTLY ASKED QUESTIONS

---

### **Why does an elector have to designate a party affiliation?**

As of July 1, 2011, Idaho Code requires an elector to declare a party affiliation. This affiliation will determine the elector's eligibility to vote in a particular party's Primary Election. It does not affect the elector's ability to vote in any other election. Party Affiliation is part of the individual's registration data and is public record.

### **What are the recognized political parties in Idaho?**

The four (4) recognized political parties in Idaho are the Constitution, Democratic, Libertarian and Republican Parties. An elector may affiliate with any one of these parties or may choose to affiliate with no political party (i.e. an unaffiliated voter).

### **What does "Unaffiliated" mean?**

"Unaffiliated" simply means the individual is not associating with any political party.

### **Why is an elector required to select a party ballot?**

As a result of a federal court decision in Idaho Republican Party v. Ysursa, the 2011 Legislature closed Idaho's Primary Elections so that only electors affiliated with a party may vote in that party's Primary Election. However, the Legislature gave each party the opportunity to open its Primary Election to electors from other political parties or those who are designated as "unaffiliated."

Each November prior to the Presidential Primary Election and Primary Election, each recognized political party in Idaho may notify the Secretary of State of their intent to open their Primary Election. If one of the recognized political parties opens their Primary Election, the elector may then have the option of selecting the ballot of a party other than the one with which the elector is affiliated. See *Primary Election Ballot Options* (on page 8) for an elector's 2016 Presidential Primary or Primary Ballot Options.

### **What if an elector refuses to affiliate with a party?**

If an elector refuses to make a party affiliation selection, the elector will automatically be registered as an unaffiliated voter (i.e. a voter with no political party preference). This may limit the elector's participation in the Primary Election to the non-partisan ballot only. However, this will not affect the elector's ability to vote in any other election.

---

## **Can an elector change his or her party affiliation?**

An elector who has affiliated with one of the four (4) recognized parties may change his or her political party affiliation to another party or become an Unaffiliated voter at any time **except** between the day after the close of candidate filing (March 11, 2016) and the Primary Election (May 17, 2016). However, if the elector is re-registering due to moving or a name change, the elector may select any party affiliation without regard to the elector's previous selection.

Electors with no affiliation or those who have registered as an unaffiliated voter may affiliate with one of the four (4) recognized political parties at any time including on Election Day.

## **What if an elector is given the party ballot requested by the elector, then the elector changes his or her mind and asks for a different ballot?**

Once an elector has chosen a Presidential Primary election ballot or Primary Election ballot and the ballot choice is marked in the poll book, that ballot is the one the elector is entitled to vote. The elector is not allowed to return it and ask for a different party's ballot.

It is imperative that electors be informed about what is on the ballot – or more importantly, what is not on the ballot – before the elector makes his or her choice. Sample ballots for the parties and the non-partisan ballot are to be posted and made available for electors to look at prior to the time the elector appears before the poll book clerk to make a ballot choice.

If the elector makes a mistake in marking the ballot, the elector may receive another ballot by returning it to the issuing clerk. The elector will be given another of the same ballot type, he or she cannot be given a ballot for a different party.

## **What if an elector's name does not appear on the Poll Book?**

First, determine if the elector is in the proper precinct and polling place. When their polling place has been established to be yours, every effort must be made through the County Clerk's Elections Office to substantiate registration credentials.

After contacting the County Clerk's Office and a clerical error has been found which resulted in an omission in the Poll Book, the qualified elector thus affected shall be allowed to vote. Manually record the elector's name and address in the Poll Book with the notation "clerical error – left off." Then continue with the normal issuing procedures. See Poll Book Page, Line 12, columns A & C.

If the elector is found not to be registered, the elector may register at the polls on Election Day. They should be directed to the registration table and Election Day Registration procedures should be followed as outlined in the Election Day Registration Manual. The elector should select a party affiliation or designate themselves as an unaffiliated voter. If

the elector does not select a party affiliation, they will automatically be designated as an unaffiliated voter.

When the elector appears before the Poll Book Clerk with a registration card stamped “residence verified,” the Poll Book Clerk enters the elector’s name and address along with the notation “election day registration” in the Poll Book on one of the blank Poll Book pages provided at either the end of each alpha division or at the back of the Poll Book. Then continues with the normal issuing procedures. (34-408A, I.C.) See Poll Book Page, Line 13, columns A & C.

**IMPORTANT:** An elector registered with one of the four (4) recognized political parties may not change their party affiliation between March 11th and May 17th, 2016. An elector designated as "unaffiliated" may change their party affiliation at any time including on Election Day. However, an elector who is re-registering due to moving or a name change is treated as a new registrant and may select any party affiliation regardless of the party affiliation selection on a previous Registration Card or Party Affiliation Form.

### Is a photo ID required at every election?

Yes, Idaho Code requires each elector to either show an acceptable photo ID or sign a Personal Identification Affidavit prior to voting at any election. (34-1106, Idaho Code)

Acceptable forms of ID are:

- 1) An Idaho driver’s license or identification card
- 2) A U.S. passport or Federal photo identification card
- 3) A tribal photo identification card
- 4) A current student photo ID, issued by an Idaho high school or post-secondary educational institution

### What if an individual does not have one of the acceptable forms of identification?

An elector must either show an acceptable photo ID or sign the Personal Identification Affidavit prior to voting. If an individual does not have one of the acceptable photo ID's, the individual must complete and sign the Personal Identification Affidavit prior to being issued the appropriate ballot(s). No elector is to be turned away or not allowed to vote for not

having one of the acceptable forms of identification as long as the elector signs the Personal Identification Affidavit. Every elector that appears to vote should be allowed to vote unless they do not meet the legal qualifications. If the elector signs the Personal Identification Affidavit in lieu of showing acceptable photo identification, the Poll Book Clerk will make the notation "Affidavit" in the remarks column to the right of the elector's signature. (34-1113, I.C.) See Poll Book Page, Line 11, column C.

**What if an individual asks if another elector has voted?**

No judge or clerk shall communicate to anyone, including spouses, watchers and challengers, any information as to the name or number on the Poll Book of any elector who has not applied for a ballot, or who has not voted at the polling place. (34-1110, I.C.)

**What if an elector asks if there is a write-in candidate for a specific office?**

If an elector asks if there is a write-in candidate for a specific office or race, you may give the elector the name of the write-in candidate that the elector is requesting.

## RECEIVING AND PROCESSING ABSENTEE BALLOTS

An absentee ballot may be challenged in the same manner as other votes are challenged. Refer to the Procedural Manual for Judges and Clerks of Election for detailed instructions regarding how to challenge absentee ballots at the polls.

## EARLY PICK-UP OF BALLOTS, IF APPLICABLE

Sometime during the late afternoon on Election Day, you may be directed by the County Clerk to prepare the voted ballots for an early pick-up. ## AFTER THE POLLS CLOSE
