

Paper Ballot Demonstration

“Make Your Vote Count.”

PRIMARY:

“Select the party ticket you desire to vote and vote only on that ticket. Place an X in the square at the right of the name of the candidate of your choice or write-in the name of the person for whom you wish to vote in the blank write-in space for that office and place an X in the small square at the right of the name written-in. You may not vote for more than the number of candidates specified on the ballot. Tear off your voted ballot; fold the ballot to conceal your markings.

(Demonstrate)

Vote the green judicial ballot. Fold the ballot to conceal your markings. Return both the voted and unvoted ballots to the receiving clerk.

If you make a mistake, return the ballot you made a mistake on to the issuing clerk, who will give you another ballot.”
